

# WILBER CZECH BREWERY COMPANY

WILBER, NE

---

The Wilber Czech Brewery Company has been busy planning and strategizing for our upcoming events. We will be at the Wilber Czech Festival the first weekend in August. Make sure to stop by and see us at our future site if you have questions or just want to visit with the team.

## UNL Partnership

---

We were extremely excited to partner with the University of Nebraska Marketing department and present our mission to the senior students with the potential they choose our company as a capstone project. We had two student groups select our company and they spent the semester compiling ideas and input. We would like to thank the University, Rob Simon and the students for their time and their insight on the business.
